

SECURITY DECLARATION

The undersigned, on behalf of the management of:

Company name

Address

Postal code / city

Country

Hereby declares that the following items are observed in connection with delivery of air cargo:

- 1) Reliable employees from my own company as well as from sub-contractors have carried out the handling and packing of the air cargo.
- 2) Cargo to be sent by air is protected against interference from unauthorised persons during production, packing, storing and transportation with our own trucks.
- 3) If the company has **NOT** used own trucks a licensed truck company should be used.
- 4) Packing of the air cargo has been made in secured surroundings.
- 5) The air cargo does not contain any of the following illegal articles and substances:
 - Firearms and articles or parts of these produced for or suitable for attack or defence purposes, as for instance pointed, edged or blunt weapons.
 - Granades, gunpowder, explosives. Ammunition, detonators and fuses of any kind.
 - Inflammable, corrosive or poisonous substances, including gases whether they are under pressure or not.
 - Chemical and bacteriological warfare agents.
 - Any imitation of the articles etc mentioned under the first 3 points..
 - In connection with the airlines transportation of arms, articles and substances which are in a legal possession and can be legally transported by aircraft, shall also apply the regulations in the Ministry of Transport's order no. 527 of 23 June 1995 and the Ministry of Transport's order no. 737 of 17 November 1989.

If one or more of the above mentioned items are not observed, this will be notified in writing in connection with the handing over of the cargo.

Furthermore, the above mentioned company accepts that for security reasons the air cargo may be screened by use of x-ray or manually by airline or its handling company.
